

III. Remarks

Responsive to the Notice mailed August 19, 2003 indicating applicants did not provide a complete listing of all of the claims, applicants have provided such a listing. According to the Notice, applicants need only submit the portion of the Amendment document which is non-compliant, namely, the claims portion. Applicants have not re-submitted the remarks section since no objection was made to that section. No new matter has been added through the above listing. Favorable reconsideration of this application is respectfully requested in light of the above listing.

Respectfully submitted,

Stephen P. Evans
